Sap garamy / Net weight: 600g

A close-up photograph of a single chocolate-filled cone against a solid red background. The cone is made of a light-colored wafer or similar material. A generous amount of dark chocolate sauce is drizzled over the top of the cone, with a few drips falling down the side. The background is a vibrant red, creating a strong contrast with the brown of the cone and the dark chocolate.

Garyşyk şokolad we draže.
Assorted chocolate and dragee.
